Get the advantages of botox without a needle in sight with the latest in wrinkle-removers...

## DDF Wrinkle Relax, £76

THEY SAY: Two non-toxic anti-ageing peptides reduce fine lines and wrinkles by up to 50% within 45 to 60 days.

WE SAY: "My skin feels soft and smooth after using this lightweight, pleasant-smelling cream, and I also noticed a subtle difference to those dreaded lines... but I was the only one I also used up the 15ml of product before 60 days!"

## Freeze 24/7 Anti-Wrinkle Cream, £65

THEY SAY: An essential neurotransmission inhibitor that reduces fine lines and wrinkles by up to 90% within 10 minutes.

WE SAY: "This cream smells fantastic and left my skin super-soft and cool on application. Although I didn't see that much of a difference in my fine lines, my skin looks clearer and feels extremely hydrated."

## Pretox 20, £65

THEY SAY: Containing a patented formula to relax muscles and plump out skin, Pretox is clinically proven to reduce wrinkle depth by 50% in 30 days.

WE SAY: "After three weeks I was pleased to see a noticeable improvement around my eyes, however, there was little change on my forehead and smile lines."

## L'Oréal Paris Dermo-Expertise Collagen Filler Wrinkle De-Crease, £14.99

THEY SAY: Enriched with silicone, the formula infiltrates each crease to even wrinkle furrows, with a noticeable reduction in just three weeks.

WE SAY: "After two weeks I saw a difference in my frown lines, which had 'filled out' a little. A good all-rounder at a very good price - it's just a shame there were no specific instructions to help with my application."

## Naturalox, £49.95

THEY SAY: Smooths existing facial wrinkles and delays the appearance

of premature ageing by up to 50% in just 30 days.

WE SAY: "What a great cream! After applying to affected areas my skin felt soft and smooth - and looked it, too! I especially noticed a difference around my eyes. A must-have treat that's worth indulging in."

## Nora Bode Beauty-Tox Splendid Fast Response Cream, £85

THEY SAY: This specially formulated cream combats wrinkles by controlling muscle movement and stimulating the formation of collagen.

WE SAY: "Although I love the cream's texture and results it's too expensive to use twice a day, especially when used in conjunction with the recommended oxygen facials."
